- \* community food security
- \* social inclusion

# Become a Member!

### Green Thumbs Growing Kids mission:

To work with urban children, youth and their families to learn about, grow and prepare fresh foods, cultivated in an environmentally sustainable manner, in hands-on programs.

### Your membership

By becoming a member you contribute to a sustainable future for Green Thumbs Growing Kids. As a member, you will enjoy:

- Voting in our annual general meeting
- Receiving our annual report in the mail
- Attending special events through the year

### Your support helps make our programs possible

**After School Programs:** Riverdale Farm (Spring & Fall), Toronto Kiwanis Boys and Girls Club, Rosedale Heights Secondary School Greenhouse

**School Food Gardens** (school year and summer): École Gabrielle-Roy, Rose Avenue Public School, Winchester Public School

**School day field trips:** Allan Gardens Children's Conservatory

**Other participating schools:** Church Street Public School, Nelson Mandela Park Public School, Spruce Court Public School, Bruce Junior Public School

### Your participation

As a member, we encourage you to get involved! We can work together on:

- Garden planning and design, for example possibly using your heirloom seed in our gardens
- Developing the organization to meet the needs of the community in new and different ways

### Membership cost

\$25 per year

## Membership Form - please detach and return to Green Thumbs Growing Kids at

603 1/2 Parliament Street, Toronto, Ontario, M4X 1P9
